Why Lightyear?

✓ Controls what's on invoices before posting

EzzyBills gets your invoices into your accounting system; Lightyear controls what's on those invoices before they get there.

✓ Approval depth

Lightyear supports up to 8 configurable approval levels. EzzyBills caps at 4 on all plans.

✓ PO workflow for everyone

Lightyear includes PO creation on every plan. EzzyBills restricts it to Enterprise E10 and above.

✓ No annual lock-in

Lightyear bills monthly with no lock-in. EzzyBills is annual-only — you pay upfront for the year.

✓ Statement reconciliation

Lightyear auto-reconciles supplier statements. EzzyBills has no statement reconciliation feature.
