Why Lightyear?

✓ Controls what suppliers charge

ProSpend manages how money is spent; Lightyear controls what suppliers are charging for it.

✓ Price checking automation

Lightyear automatically checks every invoice against agreed supplier prices. ProSpend has no price checking.

✓ Free trial

Lightyear offers a full 30-day self-serve free trial. ProSpend requires a sales call before access.

✓ Transparent pricing

Lightyear publishes GBP and AUD prices openly. ProSpend pricing is only available on request.

✓ UK market focus

Lightyear is built for UK and APAC markets with published local pricing. ProSpend targets ANZ primarily.
