WHY LIGHTYEAR — KEY DIFFERENCES

Verify, Not Just Flow

Yooz automates the flow of invoices. Lightyear automates the verification of what's on them — catching price discrepancies before approval.

Transparent Pricing

Lightyear publishes pricing. Yooz requires a custom quote. Prospects can self-evaluate without a sales conversation.

30-Day Free Trial

Lightyear offers a 30-day free trial. Yooz offers demonstrations only — no ability to test with your own data before committing.

Statement Reconciliation

Lightyear automates supplier statement reconciliation. Yooz has no native statement reconciliation capability.

AP-Focused Platform

Lightyear is purpose-built for AP teams in hospitality, retail, and multi-entity businesses — with specific workflows for those verticals.
